

To whom this may concern

I write this letter to you to encourage, motivate and recommend to you to make use of the services of Builders Tool hire.

We have been using the above mentioned company for all our rigging requirements and have been with them for almost 2 years now,

The main reasons why we choose to stay with BTH is because of their amazing flexibility, Great level of service and being contactable at all times – within and out of working hours.

I recall one or two occasions where they Opened their business at the especially for us after business hours to make sure our needs are met.

This type and level of support & service is invaluable

The team knows what they doing and the owner Fabian Mentoor is down to earth and always ready to make a plan and always goes the extra mile,
